

Isis

Isis Task: Anthracite Wave back and seat; Isis Visitor: Anthracite Wave back and seat, with casters; Clara Table: Extended Corner 72; Edison Post and Beam; Curtains: backlit for effect; Refreshing beverage: one for the Tasker, one for the Visitor.

Isis Visitor: Black mesh backs and Green seats, with casters;  
Flopsy, Mopsy or Cottontail: not yet identified

Lovely to look at  
and oh-so smart.  
Isis is both.

A chair with a pocket? And a coat hook? Definitely too cool for school. Isis sports comfortable, intuitive features that are not only smart, they're design objects in their own right. And because Isis offers an entire scalable seating collection, it single-handedly meets every need around the office. Task, Visitor and Executive designs can be customized in looks that range from stand-out to demure.

Wave back detail: Orange; Coat Hook detail: almost too pretty to cover with your coat;  
Headrest detail: Black mesh; Guitar Seat detail: Wave Green, no strings attached; More  
detail: something we think you can live without.

**There's never too much of a good thing with Isis.**

Isis gives you plenty of options within a family of consistent, good looks. For your Visitor seating, pick casters or glides, Plastic, Mesh, or Wave back, and arms or none at all. Task seating starts with a Plastic, Mesh, or Wave back, and can be scaled up more with polished aluminum controls and a field-fitted headrest. The Executive is still very Isis, but just stepped up another notch with a fully upholstered back (full or high) in great fabrics or leather.

# The skinny on Isis

## Scalability

- Visitor, Task and Executive
- Plastic, Mesh or Wave back, with optional headrest
- Foam or Technogel® seat
- Choose from four Wave upholstery materials, or select from over 100 izzytextiles, including vinyl, leather and Momentum's Evergreen recycled collection

## Imbedded Functionality

- Seat slider
- Adjustable back and lumbar
- Back pocket

## Modernist Principles of Simple Intuitive Design

- Designed by Gino Gamberini
- Exo-skeleton back
- Clean, thin profile
- Proprietary advanced synchro tilt control

## Human Centered

- Guitar shaped seat for free leg movement, accessibility to controls, and intuitive seating

### Technogel that provides:

- 3D movement support
- Distributes and sustains weight
- Reduces muscular stress 20%
- Non-toxic, will not break down

### Environmental

- 99% recyclable
- GREENGUARD Certified
- ISO 14001 Certified Components

## Cool and Affordable

### izzyeasy

- Can meet CAL TB133
- Limited lifetime warranty

### Visitor

Width	23.25
Depth	22.25
